

Face-to-Face Workshops

Blackboard Learn Overview

The training session provides a general overview of Blackboard Learn and the major differences between Vista and Learn.

Course ID No.: UO12L1

Length: 1.5-2 hours

Chilton 245

- 2/6: 9-11am
- 2/20: 1-3pm
- 3/2: 1-3 pm

Course Organization & Content Collection

The training session will provide you with the necessary skills to setup and organize your Blackboard course. In this session, we'll cover creating content areas, content items, organizational best practices, discuss the numerous control panel options, and dive into the content collection area.

Course ID No.: UO12L4

Length: 2 hours

Chilton 245

- 2/15: 1-3pm
- 2/24: 1-3pm
- 3/30: 9-11am
- 3/27: 10-12am

Assignments, Assessments, Grade Center & Early Warning System

The training session will provide you the skills to create and place assignments and assessments in Learn. Explore the new Grade Center along with all the new functions. Discover how the Early Warning System will help you monitor students' progress.

Course ID No.: UO12L2

Length: 2 hours

Chilton 245

- 2/28: 9-11am
- 3/5: 1-3pm
- 4/16: 9-11 am

Groups & Discussions

This training session will cover how groups and discussions function in Blackboard Learn. You will learn how to create and manage groups, how to assign learning tools, and grade group work. You will also learn how to create, manage, and grade discussions for groups as well as class-wide discussions.

Course ID No.: UO12L5

Length: 2 hours

Chilton 245

- 4/2: 1-3pm
- 4/24: 10-12pm

Journals, Blogs, & Wikis

This session on interactive tools will cover using journals, blogs, and wikis in Blackboard Learn. You will learn how to create these interactive tools, assign them to individuals or groups, manage and grade the content students create with these learning tools.

Course ID No.: UO12L6

Length: 2 hours

Chilton 245

- 04/13: 1-3pm
- 05/03: 10-12pm

Online Workshops

Getting Started

This course provides an introduction to the teaching and learning features of Blackboard Learn. Participants will also become familiar with some common start-up tasks.

Course ID No.: UO12O1

Length: 1 Week

Location: Online - All courses are facilitated online using Learn 9.1 (learn.unt.edu)

- 1/30-2/6
- 5/14-5/21

Building Courses

In this course, participants will learn the principles and processes involved in building a course from the ground up.

Course ID No.: UO12O2

Length: 1 Week

Location: Online - All courses are facilitated online using Learn 9.1 (learn.unt.edu)

Prerequisite: Getting Started or Equivalent F2F Training

- 2/20-2/27
- 5/28-6/4

Designing Engaging Content

Description: In this course, participants will learn strategies for effectively designing and organizing content to increase student engagement within their courses. Participants will develop a plan for improving their courses and build a sample lesson that incorporates some of the techniques discussed. Finally, they will learn how to adaptively release content to students.

Course ID No.: UO12O3

Length: 1 Week

Location: Online - All courses are facilitated online using Learn 9.1 (learn.unt.edu)

Prerequisite: Getting Started or Equivalent F2F Training

- 3/12-3/19

Assessing Learners

In this course, participants will be introduced to the features and functions of the tools used to deliver assignments and assess students in Blackboard Learn.

Course ID No.: UO1204

Length: 1 Week

Location: Online - All courses are facilitated online using Learn 9.1 (learn.unt.edu)

Prerequisite: Getting Started or Equivalent F2F Training

- 3/26-4/2

Enhancing Communication

In this course, participants will learn to effectively use select Blackboard Learn communication tools to increase student engagement within their courses.

Course ID No.: UO1205

Length: 1 Week

Location: Online - All courses are facilitated online using Learn 9.1 (learn.unt.edu)

Prerequisite: Getting Started or Equivalent F2F Training

- 4/16-4/23

Building Online Communities

Description: In this course, participants will further explore some of the communication and collaboration tools Blackboard Learn has to offer.

Course ID No.: UO1206

Length: 1 Week

Location: Online - All courses are facilitated online using Learn 9.1 (learn.unt.edu)

Prerequisite: Getting Started or Equivalent F2F Training

- 4/30-5/7

Monitoring Student Performance

In this course, participants will gain in-depth knowledge of the tools and features that help monitor and evaluate student performance.

Course ID No.: UO1207

Length: 1 Week

Location: Online - All courses are facilitated online using Learn 9.1 (learn.unt.edu)

Prerequisite: Getting Started or Equivalent F2F Training

- 5/21-5/28
